### About Neighbourhood Network

Neighbourhood Network is a registered Irish charity (RCN: 20206679) which aims to promote social inclusion, tackle loneliness and build supportive and resilient neighbourhoods around Ireland. The ambition is simple; to help create happy, healthy and more connected places for people to live, where neighbours feel supported by each other. We do this by working with residents to help establish their community themselves, supporting local leaders to build inclusive, resilient groups in their estates.

Neighbourhood Network's main project Street Feast has been in operation for 15 years, seeing over 9,600 Street Feasts take place, reaching an estimated 883,200 people. Neighbourhood Network's fourteen year experience with organising Street Feasts gives us the capacity to bring community around a table and to create more inclusive, healthier and happier communities.

Our team currently consists of a CEO, 4 Project Managers, an administrator and 6 part-time staff. We have a voluntary board of 9 trustees. Neighbourhood Network is an Irish Charity with Registered Charity Number (RCN): 20206679
